

Message from the Mayor of Miyoshi

May 15, 2021

Thank you for your habitual cooperation for prevention COVID-19.
The government of province of Hiroshima declared ` a measure of emergency status` for whole province of Hiroshima yesterday.

Therefore, the government of Province of Hiroshima have just requested to ;

- Refrain from going out
- Avoid social-gatherings
- Request to shut down restaurants and bars or
- Request of time-reduction for restaurants and bars

In Miyoshi city, we also held a conference with `Quarters Of Miyoshi For COVID-19 Control` and determined a prohibition of use of public facilities where are more in danger to infect (or to be infected) people.

In these facilities as follows;

- Yu genki Health Center in Konu
- Miyoshi Asobi no Oukoku in the Miyoshi Undo Kouen
- Team Lab. of Miyoshi Mononoke Museum
- All the facilities of fitness center and swimming pool

We know you all have been cooperating for such a long time but protect yourself, your family, your loved one, Medical care and nursing service of Miyoshi.

We do ask you full enforcement of measures on prevention COVID-19.

Thank you for understanding and cooperating for prevention of virus spread.
