

## **Correspondence of Miyoshi city from this time forward**

May 15. 2021

Headquarters Of Miyoshi for COVID-19 Control

Regarding to `Special Prevention COVID-19 Measures Period` under a state of emergency declaration, which has been issued by headquarters of Hiroshima for COVID-19 Control, we work on these plans in the following way, researching a situation of infected persons in Miyoshi city and province of Hiroshima.

You should know that we might change some parts at anytime depends on the decision of Central government and Province of Hiroshima.

### 1. Correspondence for Intensive-measures

We will announce the `Intensive-measures of province of Hiroshima` to citizen and companies, in a simple and easy-understanding way.

- Request of closure of business and payment of compensation benefit.
- Full enforcement of measures for prevention COVID-19.

### 2. Correspondence of Miyoshi city

We have more regulations adding to `New policy of Miyoshi city concerning COVID-19`, which is issued on May 7. 2021.

- (1) Control of social gathering and Closure of facilities where people share the same apparatus.

We will close these facilities for a while

(Close from May.16, Sunday ~ )

- Yu genki Health Center in Konu
- Miyoshi Asabi no Oukoku  
( Big Playing park for children in the Miyoshi Undo Park)
- Team Lab. Yokai Yuenchi in Mononoke museum of Miyoshi.
- All the fitness center and swimming pool

- (2) Facilities where people get social gathering

- Control of number restriction (Must be half)
- We ask all the administrators to make an announcement for their clients on their facilities HP, to re-consider and refrain from coming over to visit from out of Miyoshi city.

Miyoshi city sort out the situation, might be a week later, after receiving a report of the number of visitors from each facilities.
