

区画線工 $S = 1 : 1,000$

※赤線は区画線とする。

The drawing shows a road layout with several numbered sections (NO. 1 to NO. 7) and various engineering details. Key features include:

- Section NO. 1:** A straight section with a centerline offset of 10.0 and a radius of $R=100$.
- Section NO. 2:** A curved section with a centerline offset of 10.0 and a radius of $R=100$.
- Section NO. 3:** A curved section with a centerline offset of 10.0 and a radius of $R=100$.
- Section NO. 4:** A curved section with a centerline offset of 10.0 and a radius of $R=100$.
- Section NO. 5:** A curved section with a centerline offset of 10.0 and a radius of $R=100$.
- Section NO. 6:** A curved section with a centerline offset of 10.0 and a radius of $R=100$.
- Section NO. 7:** A curved section with a centerline offset of 10.0 and a radius of $R=100$.

Other details include:

- KE2-1:** A curve with a centerline offset of 10.0 and a radius of $R=100$.
- KE2-2:** A curve with a centerline offset of 10.0 and a radius of $R=100$.
- KE2-3:** A curve with a centerline offset of 10.0 and a radius of $R=100$.
- KE2-4:** A curve with a centerline offset of 10.0 and a radius of $R=100$.
- KE2-5:** A curve with a centerline offset of 10.0 and a radius of $R=100$.
- KE2-6:** A curve with a centerline offset of 10.0 and a radius of $R=100$.
- KE2-7:** A curve with a centerline offset of 10.0 and a radius of $R=100$.

※赤線は区画線とする。

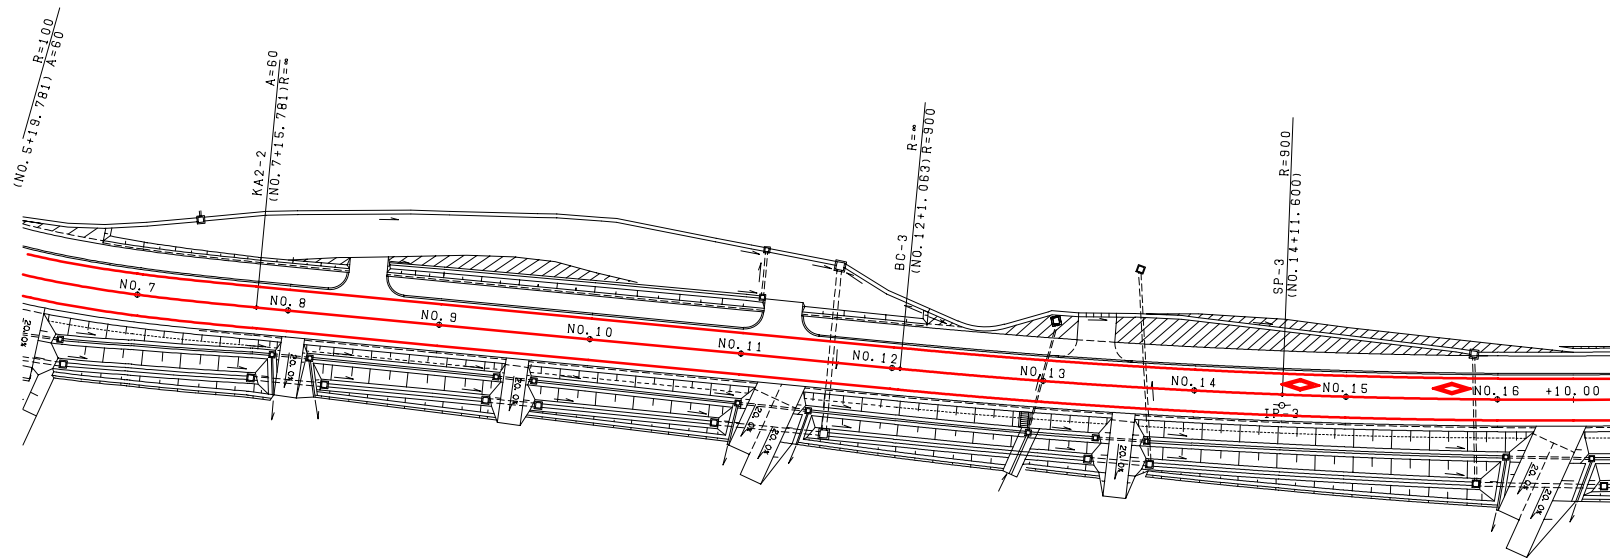

The drawing shows a road layout with several numbered sections (NO. 1 to NO. 7) and various engineering details. Key features include:

- Section NO. 1:** A straight section with a width of 10.0m.
- Section NO. 2:** A curved section with a radius of $R=100$ and a width of 10.0m.
- Section NO. 3:** A straight section with a width of 10.0m.
- Section NO. 4:** A curved section with a radius of $R=100$ and a width of 10.0m.
- Section NO. 5:** A straight section with a width of 10.0m.
- Section NO. 6:** A curved section with a radius of $R=100$ and a width of 10.0m.
- Section NO. 7:** A straight section with a width of 10.0m.

Other details include various curves (e.g., $R=100$, $R=150$), straight sections (e.g., $L=60$), and a note indicating that the red lines represent the section lines.
